Moving offices is a right pain in the arse. Especially when the big boss tells you what you can't take with you to the new place. So Team Club have got to lose: 2 big boxes of scruff movies, 1 stripper pole (unused), 20 filing cabinets, 2 boxes of scruff movies on VHS we've been keeping for sentimental reasons, the office cat and the Euro 1996 wall chart we put up but never filled in or took down. And here's what we can keep: Loads of sexy girls. Thank fuck... ♣

LETTERS TO THE LOUNGE

Send your letters to: The Editor, Club International, The Lounge Suite, 3rd Floor, 207 Old Street, London EC1V9NR or email clubint@paulraymond.com. Best letter published every month gets £50

Dear Club,
I'm a successful young businesswoman, and I travel a lot in the course of my work. That means I get to meet interesting people. It's hardly conducive to establishing steady relationships – not that I mind terribly. In my private life, I'm the opposite to my work life and frankly, I'd rather have a different guy every night and let my inner slut run wild!

On a recent trip, I stayed in a nice hotel that had a popular coffee concession in the lobby. I stopped by there every day during my visit, because good coffee can be hard to find on the road. I got talking to the barista, the bloke behind the counter, and we started flirting a little, then a lot, then on my last night I just slid my spare room key over the counter. I thought he was going to faint when I did that! Phil wasn't what I'd normally go for in a man, but he could make me laugh, and if you can do that you're already halfway into my knickers.

I went up to my room to wait for Phil, and put on something a little racy. I figured a hotel gown and some stockings, combined with a big smile should do the trick. At 10:02, there was a knock at the door. I answered; Phil looked at me in my heels, stockings and dressing gown. His eyes nearly popped out of his head when I let the gown slide down to the ground. He pounced, covering me with kisses and pushing his tongue between my lips as he squeezed my firm breasts. I was already gushing wet having had more than two hours to get worked up, and I could feel his hard-on pressing against my gash as we kissed.

"Bed," I gasped. "Fuck," I moaned, "me."

Being stronger than he looked, Phil easily carried me over to the bed and stripped as he looked at me dressed in my slutty stockings and heels. I fingered my pussy as he watched, and turned over, on all fours, and finger-fucked myself, arse in the air.

My barista pal wasted no time in getting naked, and I heard the condom wrapper hit the floor. A second later, his rubbered cock nudged my engorged pussy lips and I discovered you can't judge a man's package by his build. His cock was huge – easily eight inches, and thick with it. As I looked in the wardrobe mirror's reflection, Phil caught my eye and winked at me! I knew then I was in for a good reaming, and I backed my arse up a little so he knew I wanted it bad.

Taking my not-so subtle hint, Phil slid inside my snatch. Leaning over me, he kissed the back of my neck as he stroked my nipples. One hand snaked down my flat stomach to the top of my neatly-clipped bush, and then brushed ever so lightly over my clit. As I cried out in pleasure, he used the distraction to push his whole huge fuckstick deep inside my gaping, hungry cunt.

Phil fucked me like an animal; hard, deep and fast, and I responded in kind, bucking backward, inviting him to bang me deeper, playing with my boobs and watching in the mirror. I raised a leg so he could hold it up and we could both see his cock, glistening with

JENNY-TALIA!

Dear Club,
Many thanks from me and my housemate for putting Jenny Laird back on the cover. It makes up for Sasha's retirement, which we're still gutted about. I love that you have girls from around the world, but there's something extra special about a girl you might meet in the street, at work or at a club being naked in a magazine, so keep up with the Brits!
Fitz, York

We'd never turn down a great British babe like Jenny. As for Sasha's retirement – yep, we're still smarting, but we're in the process of moving offices at the moment, and we've found an unused set that got lost down the back of a filing cabinet. Watch this space…

MENSCH-TRUAL CRAMPS!

Dear Club,
Top 5 sexy politicians? You're having a laugh. Okay, a couple on that list were decent looking, but the minute they open their mouths and talk drivel, you'd lose your hard-on in seconds. Have you seen Louise Mensch on *Have I Got News For You*? Funny she isn't. All that said, I'll give Sally Bercow one, although she's just a politician's wife, so I'm not sure she counts.
Christopher, email

Yes, Sally Bercow has got that posh totty thing down to a tee, hasn't she? We're not sure why she's with John Bercow, but as Mrs Merton once asked Debbie McGee, 'What first attracted you to the millionaire Paul Daniels?'

cunt juice, hammering in and out of me. That was so fucking sexy!

I came and came, loving every second of being impaled on that magnificent flesh pole. He seemed capable of fucking all night, so I put that to the test. He wound up riding me for hours, eventually cumming three times in all. As for the number of times I came, I lost count after it hit double figures. We eventually collapsed, exhausted, just before sunrise, only to wake up a couple hours later for one last round before my flight. My stockings were ruined, covered in pussy juice and cum, so after that last rampant fuck (in which I took a fucking with my hands on the window frame so anyone lucky enough to look up could get a great show), I gave them to Phil as a souvenir.

I hope he's still working in that place next time I'm in town, because I want a repeat performance!
Natasha, Oxford ♣

HAYDEN ♣

Hats off...

In these days of faux-retro clawfoot bathtubs and wetrooms with rainforest showerheads, it's refreshing to see a girl doing her ablutions in an old-school way. Yup, Hayden does it cowgirl-style in a big old outdoors tub, and we can only assume she heats the water over coals and pours buckets of it in. Or are we confusing it with some old movies we once saw on BBC2?

"This is my family place," says Hayden, "and yes, it is kind of rural. I like it here, and it's my roots, but after a week I can't wait to get back to my LA apartment with its whirlpool bath, Elemis toiletries and heated towel rail!"

Damn, Hayden, you had to spoil the illusion... ♣

Club's ROUGH GUIDE

As an incredible summer of televised sport continues, so the dent in Matt Loxham's couch gets wider and deeper. Soon, he won't be able to get up. We don't think he cares...

Moto GP
Italian Grand Prix
July 15th

Call me controversial, but I believe motorsport should be about speed, racing and excitement. Formula One, the most high-profile of all motorsports, is often very boring, and I'm not just talking about the mundane punditry of David Coulthard.

Don't get me wrong, I've spent many a Sunday afternoon comatose on the couch watching the monotone lantern-jawed jock talk tyres with the gnome-like Eddie Jordan, before witnessing the dubious spectacle of twenty cars going around a track many times, but like the hangover and roast dinner that usually come before it, Formula One is merely tradition; not generally a good thing and frequently routine and predictable.

So what's the alternative? Well, let me state the case for Moto GP, an exciting smorgasbord of thrills and spills packed with loads of over-taking and plenty of wince-inducing crashes; guaranteed to jolt you out of a weekend booze haze and on to the edge of your seat with the sheer balls-out adrenaline-fuelled action.

There's even a decent British bloke to support this year in Coventry's Cal Crutchlow! So why is the pinnacle of motorcycle racing nowhere near as popular as its four-wheeled cousin, all too often relegated to the BBCs 'Red Button' while Formula warrants many hours of tedious coverage on BBC One? It's a nonsense if you ask me.

The 2012 Moto GP championship is shaping up to be a cracker, with Spain's Jorge Lorenzo and Australian Casey Stoner, last year's runner-up and winner respectively, battling it out at the top of the standings. Such is the depth of competition in Moto GP, however, that a raft

of talented riders sit hot on their wheels, headed up by another flying Spaniard, Dani Pedrosa, and the zippy Italian, Andrea Dovizioso.

After finishing 12th in 2011 and earning the prestigious 'Rookie of the Year' prize, 'Midlands Missile' Crutchlow sits in a mightily impressive fifth place this time around, and at the time of writing was just ahead of one of the legends of Moto GP, Italy's Valentino Rossi. Quite an achievement, especially considering that Crutchlow rides for Monster Tech 3, one of the lesser so-called 'non-factory' teams.

As for Rossi, well he's struggled since he switched from Yamaha to Ducati a couple of seasons ago, but the six times Moto GP world champion can never be ruled out and he'll be desperate to get his year into gear with a win at his home Grand Prix.

Whoever reaches the chequered flag first in Italy, one thing's for certain – the race to get there will be packed with thrills and spills and there'll be none of Coulthard's ramblings along the way.

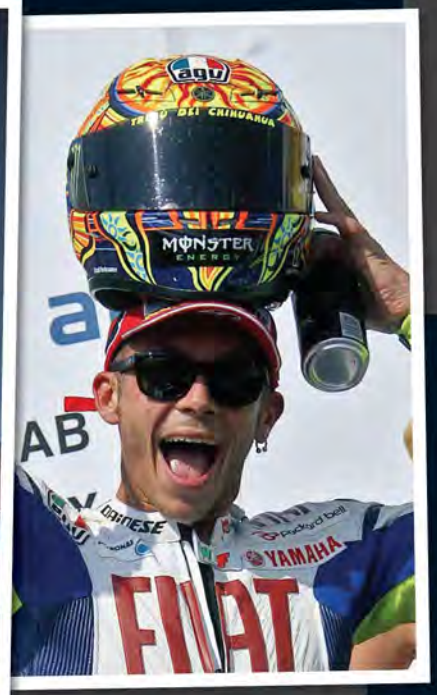
England Vs South Africa First Test
The Oval – July 19th to 23rd

2012 began on something of a sticky wicket for England's cricketers. Whitewashed by Pakistan before earning a hard-fought draw with Sri Lanka, the world's number one test side looked anything but, and despite still clinging onto that cherished top spot in the rankings, Andrew Strauss's

men came into this summer's home series' with plenty to prove.

They duly responded by thrashing a poor West Indies side with a match to spare across May and early-June, but next on the agenda is a fearsome South African side packed with talented players with fire in their bellies who are certain to provide much stiffer opposition.

Currently second to England in the pecking order and desperate to take their place at the top, the Proteas (for some reason the



South African cricket team are nicknamed after a native flower) arrive at The Oval with their sights set squarely on becoming best in the tests.

They will also have in their arsenal what is currently considered to be the scariest pace bowling attack in world cricket, with lanky dangerman Morne Morkel and firebrand fastie Dale Steyn leading the line and length.

In young Vernon Philander South Africa boast one of the most talented all-rounders in the game; destructive with the ball and very handy with the bat. Experienced players such as opening batsman and captain Graeme Smith, wicket keeper Mark Boucher and the man in whose footsteps Philander aims to follow, Jacque Kallis, provide those all-important older heads for younger shoulders.

For England to compete with South Africa they'll need to repeat the scintillating form they displayed when trouncing India last summer, a team who were also attempting to pinch that coveted number one spot.

Openers Andrew Strauss and Alastair Cook will have to be rock solid against the new ball, and potential match-winning upper-order men Jonathan Trott and Kevin Pietersen (both born in South Africa, just for the record) will have to make consistently big scores in support. With the ball, England will be relying on their key pacemen Stuart Broad and Jimmy Anderson to make early inroads into what is a very solid South African batting line-up, backed up by tricky medium pacer Tim Bresnan and spinner Graeme Swann.

South Africa often bottle it on the big occasions and England's form can be famously erratic, but if both teams play to their potential the scene is set for a fascinating three test series this summer.

The Open Golf Championship

Royal Lytham and St Annes

July 19th to 22nd

British sport fans craving some home grown success really should be following golf at the moment. At the time of writing good old blighty boasts the top three players in the world in Luke Donald, Rory McIlroy and Lee Westwood.

Of course, much like Formula One, golf can be a tad boring to watch at times, but as tournaments generally take place over several days involving a weekend, being an armchair supporter of the sport does allow you to sit on the couch for long periods of time scratching your bollocks and imbibing tinned lager/ale whilst watching some Brits do well. What's not to like?

This year's Open Championship has the potential to be one of

"Ian Poulter's outrageous outfits often distract from his big tournament credentials"

major homegrown success. Outside the aforementioned trio of ranking toppers, the UK has a stream of live contenders for the tournament including Justin Rose, who tied for eighth at the US Masters, Ian Poulter, whose outrageous outfits often distract from his big tournament credentials, and Graeme McDowell, who won the US Open back in 2010. Reigning champion Darren Clarke has floundered around for form this year and is currently injured, but the unpredictable Irishman is by all accounts determined to defend his title at Royal Lytham and St Annes.

Based on British interest alone, the 2012 Open Championship should be an entertaining affair. Factor in a resurgent Tiger Woods – currently back up to fourth in the world and gunning for Luke Donald's lofty perch – and the charismatic winner of the US Masters, Bubba Watson, and you've got the makings of a classic. Fill up the fridge, put your best undies on and enjoy. ♣

SCRUFF JUSTICE!

Don't grumble, here's the grumble...

RATINGS: ★ THE BOAT THAT ROCKED ★★ THE BOAT RACE ★★★ THE LOVE BOAT ★★★★ SEX BOAT ★★★★★ DAS BOOT

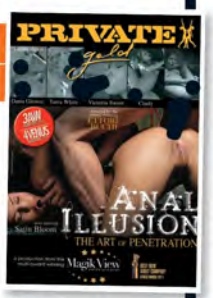
Sex Boat 2
(Private)

Sex Boat was a pretty decent hit for Private, and won a bunch of awards too. And there's nothing the porn world loves better than to flog a new franchise to death, so they've assembled (and reassembled) some girls who can handle being plated on a boat while resisting the urge to lose their dinners over the side. Brooklyn Lee is back to open up her tempting portholes, while Kortney Kane, Kristy Lust, Cindy Dollar, Abelia and Jaelyn Fox are all ship-shape and Bristol fashion. So hot it would melt any icebergs. Which is just as well... ★★★★

Brooklyn Lee - Nymphomaniac
(Harmony)

More Brooklyn Lee, with Harmony making her the centre of attention and cementing her place as a rising star in the process. The US girl mixes company (and bodily fluids) with Euro babes (Linet Slag) and a couple of homegrown hotties (Jess West, Samantha Bentley), proving she's equally at home in lesbo lickathons and double dick doinkings. DP's aplenty, as you'd expect from Harmony, and even if Brooklyn isn't the prettiest babe in the porn pack, bloody hell but she can work a knob like it's going out of fashion. Which it never will, obviously. ★★★★

Anal Illusion
(Private Gold)



We couldn't resist this one – it's stacked with *Club* class girls (Daria Glower, Eufrat, Victoria Sweet, Satin Bloom) and it's got anal in the title. And it delivers to an extent– all the girls, including Tarra White and Cindy, get it up the bum. There's one significant downside, however, as 'dingy' is perhaps too kind a word for the sets and lighting. A couple of scenes are so murky as to verge on the unwatchable, and it seems a shame to have got girls this hot and cast them adrift in underlit scenarios. It's not all bad, in fact, there's plenty to like, but it's also a missed opportunity. ★★ ♣

She's on fire! Not literally...

We thought it was always warm in L.A., but we don't half get a lot of photoshoots with sexy minxes stripping off next to roaring fires. Maybe it gets cold at night.

"Up in the hills, it really does," reveals Lindsey, filling in for Michael Fish on the weather tip. "Hot days and cool nights is what it's all about here. Plus, there's something romantic about a fire, especially making love in front of one!"

Yep, right until a log rolls off... ♣

Tess one off to them...

Do we try to impress Tess with how well-read we are by calling her Tess of the D'Urbervilles? Or do we just let these two hornbags go at each other? Definitely the latter...

"Oh fuck, I could lick and suck on Tess' cunt all day long," gasps Victoria, coming up for air. "It's so sweet and juicy."

"Yours isn't too bad either," exclaims Tess, moving herself into a 69 and chowing down.

After that, we didn't get a word out of them, but what they were doing spoke for itself. And what it said was, "We're a massive pair of fanny-crazy lesbians who love minge." ♣

Club's KIT BAG

Is it too soon to have a Christmas list?

Nokia Lumia 800

www.nokia.com

Nokia were such mobile phone innovators that it's become hard for them to shake the image that they're yesterday's company. But if anything can put them in the smartphone game, it's the Lumia 800. Rather than the narrow phones of the past, this is a block of polycarbonate with a kick-arse AMOLED screen and a very fast processor. Many of the features put it the ballpark with the iPhone and the latest efforts from HTC, but Nokia are hoping their hook-up with Microsoft will give them a competitive edge. We're not sure it will, but it's good to see Nokia waking from their slumber.

Pros: Phone feels solid, good keypad.
Cons: Expensive for a phone that'll be outstripped by the time you read this.

Sony Tablet P

www.sony.com

Sony don't sit still. But restless innovation means that some products are riskier than others, and the Tablet P is a case in point. In many ways, it's great – the clamshell approach means the excellent screen(s) are protected. But then there are the drawbacks – it's expensive, it's heavy, the battery is weak. And then there's the biggest drawback – with the split screen, and the bezels inbetween them, you never get the feeling you're looking at one screen. Scrolling is a nightmare and lots of things come with annoyingly large borders. Oh, there's no USB charging. Ugh.

Pros: Interesting clamshell design, good apps.
Cons: Screens are just annoying.

Motorola Defy+

www.motorola.com

The Defy+ is a silly name for a phone, but then we're sure the marketing geniuses at phone companies have long since run out of clever Latin-sounding words they can roll out. But at least the word 'defy' makes a bit of sense here, as this rough and rugged phone is built to defy shock, water (up to 1m) and dust. As such, it's an ideal phone for those who take part in rugged pursuits, or for clumsy twats, or teenagers (same thing). That said, it's not just sturdy – the 1GHz is a pretty decent processor and most of the smartphone features are at a decent level. And you can throw it at people and it'll probably survive unscathed. They may not, however…

Pros: Feels as durable as promised.
Cons: Swype keypad is so-so. ♣

Hmm. We've flown a lot in our jobs as international boobmongers. From club class to fucking Ryanair, we've done it all. But never have we seen an air hostess outfit quite like this one in action.

"No, it's not very realistic, is it?" says Suzanna. "But then, I'm not an air hostess, am I? This is really just for some roleplay. I like to dress up for my lovers, and with this outfit you can be guaranteed some very good service and close personal attention!"

Yes, and I think we'll be needing the oxygen masks as well... ♣

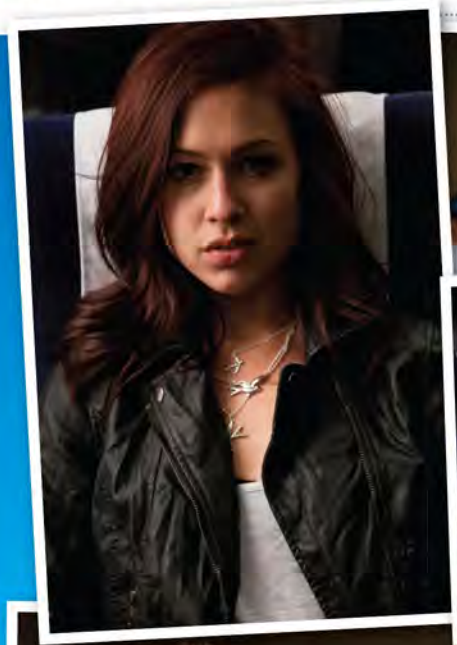
RATINGS: ★ DOUBLE CHIN ★★ DOUBLE IMPACT ★★★ DOUBLE DRAGON ★★★★ DOUBLE D'S ★★★★★ DOUBLE INDEMNITY



Airborne

(Chelsea Films, DVD £12.99)

Mark Hamill will always have a place in the hearts of men of a certain age. He will always be Luke Skywalker. But by all that is holy he hasn't made a decent film in a long, long time. *Airborne* isn't likely to get all that much attention, but as Friday night DVD fare it's nigh on perfect, and Hamill shows he's maturing nicely.

A severe storm disrupts flights, but Flight 686 departs East Midlands airport for New York. Soon, passengers are disappearing, the plane has deviated from its course and it transpires that there's an ancient Chinese vase of great value on board with an origin shrouded in mystery. Fighters jets are scrambled, but this is far from a mid-air hijack situation.

Yes, it's hokey, but it delivers more thrills at 60,000 feet than *Snakes on a Plane* managed. The closed, airless setting lets director Dominic Burns ramp up the tension, and the cast – full of 'oh, it's matey from that show' Brits – do some decent work. And if, like me, you're scared of flying, you'll hate to love it.

★★★★

Howl's Moving Castle

(Studio Canal, Double Play £16.00)

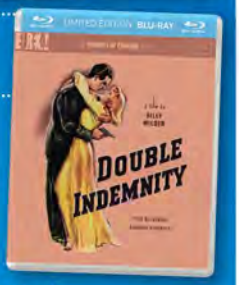
While *Howl's Moving Castle* isn't in the top tier of Studio Ghibli movies – it just doesn't pack the emotional punch of *My Neighbour Totoro* or *Spirited Away* – it's still a giddy visual delight. Rather than springing fresh from the brain of Hayao Miyazaki, it's an adaptation of a Diana Wynne Jones story, but Miyazaki-san tweaks it heavily, adding the whimsy that is his trademark. There are characters to treasure – Calcifur, Howl, the castle itself – and when the story occasionally meanders, there's something lurking in the detail to charm you. The Japanese original is the preferred version, obviously, but the US voice cast – Christian Bale, Billy Crystal, Lauren Bacall – are excellent too. A must. ★★★★

King of New York

(Arrow Films, Dual Edition £19.99)

Abel Ferrara's career has had its ups and downs, but *King of New York* has to stand as his (near) masterpiece. It's also, perhaps, the highpoint of Christopher Walken's career, as he completely owns the role of gangster Frank White, returning from prison to reclaim the streets of New York. It's violent, bloody, but funny, overblown and even camp. The supporting cast attack their roles with relish, chief amongst them Laurence Fishburne, but Steve Buscemi, Wesley Snipes and David Caruso all shine in a character actor's masterclass of a movie. Ferrara himself provides an audio commentary, interview and is the subject of a couple of documentaries among the excellent extras. . ★★★★

Double Indemnity
(Eureka Masters of Cinema, Blu-ray £20.42)



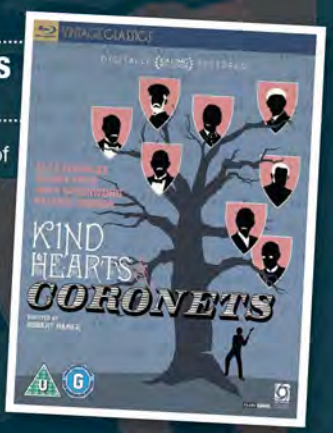
When you take Billy Wilder, a story by James M. Cain, script work by Raymond Chandler and a cast headed by Barbara Stanwyck, Fred MacMurray and Edward G. Robinson, it's nigh on impossible to cock it up. *Double Indemnity* is a near flawless movie, the dialogue zinging as MacMurray's Walter Neff is seduced by Stanwyck's femme fatale, and soon out of his depth in a game of bluff and double bluff. Beautifully restored, this is as good as cinema gets. ★★★★★

The Lost Weekend
(Eureka Masters of Cinema, Blu-ray £20.42)

The Lost Weekend is a Billy Wilder movie that is rarely screened, especially compared to the great man's comedies. Yet it won Best Picture, Director and Actor Oscars upon release, and remains one of the most vivid, compelling, distressing portraits of alcoholism ever committed to celluloid. Ray Milland plays Don Birnam, a boozed-up writer (we know the feeling) whose life and career are spiralling out of control. Marvellous stuff – as are the packaged extras. ★★★★

Classic Corner

Kind Hearts & Coronets
(Optimum, Blu-ray £11.97)



One of the finest British comedies of all time, this Ealing cracker features a career-best performance from Alec Guinness. Actually, make that 8 performances, as Guinness plays 8 members of the same family – male and female – offed in turn by Dennis Price's Louis Mazzini. It's hilarious, but also scabrous and bitter, a curio of the kind that would now never be greenlit.
★★★★★

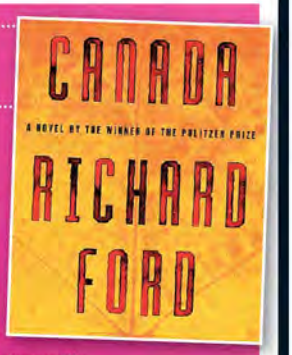
Canada
Richard Ford (Bloomsbury £18.99)

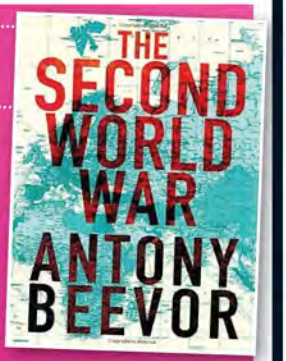


It's hard to wave goodbye to Frank Bascombe, the wonderful protagonist of Ford's last three novels, but *Canada* is some solace. This story of Dell Parsons' fractured upbringing and family life is more of a return to Ford's earlier work, the pared down and bare but beautifully observed world of *Rock Springs*. To spend time with Ford is to spend time with an author who only Phillip Roth can live with.

London 2012 Olympic Games - The Official Book
(Carlton Books £12.99)

Praise be that the actual Olympic Games are almost here, after all the tedious pre-amble. And you'll want this on your lap throughout, with its competition schedule, event guides and previews, a guide to the venues and key facts. Star athletes are highlighted as well – apparently this Usain Bolt fellow is no slouch. So forgot the torch, forget the McDonaldisation of the UK, and enjoy the sport.

The Second World War
Antony Beevor (W & N £25.00)



Beevor's books on Stalingrad, Berlin and D-Day are established classics. But how does he fare when the whole of WW2 is his canvas? Well, it's not too broad brush (he has 850 pages to play with), and his writing retains the immediacy he's lauded for. He's brilliant on the Far East, often sketchily drawn elsewhere, and retains his gift for explaining complex war to a layman reader.

Treasures of The Who
Chris Welch (Carlton Books £25.00)

Carlton's *Treasures* series really delivers the stuff fans need, and this latest is like a portable mini-museum for fans of The Who. Veteran music writer Chris Welch is the perfect guide to the British band who gave us classic albums like *Live at Leeds*, and the facsimile material inside is fascinating – letters to loved ones, fans, flyers, posters and stickers. Who are ya? ♣

You tell 'em, Sophia.

"While I'm at it, they're lazy as well. They drive everywhere, no one walks. It's weird. I don't think I could live here, even if it is a bit glamorous. And it doesn't get much more glam than shooting with Holly Randall."

If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Kay Marie **AGE:** 24
FAVE SEX: Clothed sex.
WHAT'S SHE LIKE? A classy girl with a kinky side.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
It's what I wank to. I haven't got a boyfriend at the moment, but my old one got me into it.

SO NOW YOU BUY IT YOURSELF?
I do. The internet isn't the same, although I do check out some hardcore on there. I like the feeling of rubbing my pussy and squirting my juice over the pages. It's quite male, isn't it?

WHAT'S THIS 'CLOTHED SEX' ABOUT?
Oh, that drives me wild. It's a wild, quick fuck. I'll hitch up my skirt, pull my knickers aside, and a guy will just pull his cock and balls out of his trousers and do me there and then. I love the sight of a cock and balls dangling from a fly – especially on a nice suit. Oh fuck, that's got me really horny how. I'm afraid I'm going to have to rub one out! ♣

COCKTALE!

I really should learn how to use my car's GPS properly. That little device has got me into so much trouble recently but I'm inclined to forgive it after it got me laid. I was late for an important meeting and it had got me so lost that I ended-up stopping in a rough-looking part of town and nipping into a pub to ask for directions. The place was dead – with only one patron keeping the barman company.

I have never been so self-conscious of my high heels and short skirt as both pairs of eyes followed my legs as they scissored across to the bar. It was like they'd never seen a girl before. Perhaps it was just the shock of seeing a girl in there – it certainly felt as though I was the first female to enter the place in years. The barman managed to drag his lustful gaze up from my legs to my blouse as I asked for directions.

"Sorry love," the barman replied. "That place is right on the other side of town." There was no way that I could make the meeting, so I made a quick call to let my PA know the situation.

"Why don't you sit those sweet cheeks of yours down and take a drink?" For the life of me I can't explain why I didn't just turn my 'sweet cheeks' around and leave. But I didn't. I perched my bum on the proffered barstool and accepted a fancy-looking alcohol-free cocktail.

"Don't get many women in here," the barman said, by way of conversation.

"Don't get many men either," chortled Bill. I laughed and there was a noticeable relaxation in the atmosphere. As I said, it was an alcohol-free drink, so I can't blame the booze for why I ended-up with my legs spread, holding my pussy open whilst Bill licked me out. Perhaps there was something magical about being in a proper working man's pub. Perhaps there was something about the way they treated me with a confusing blend of attitudes usually reserved for Princesses and prostitutes: they worshipped me, yet openly lusted for me.

"Bet she's got a pretty little pussy," the barman said a little too loudly as I came back from the loo. The carpet might have been thin and sticky in places but it hid my approaching footsteps.

"Bet it tastes good too," Bill replied. It was a priceless moment when the two of them saw me standing there, knowing that I'd heard them. "I'm really sorry," Bill began. "I didn't mean any offence…"

"None taken. In fact, I would value your opinion." So saying I re-took my stool, only this time I spread my legs and pulled my knickers to one side. The guys did a double-take, obviously more shocked than I was by my lewd behaviour. This was the kind of thing I'd previously done only in my fantasies but it gave me a thrill to do it for real. Perhaps thinking that the offer wasn't genuine, Bill took a long look at my pussy, expecting me to snatch the opportunity away at any moment. But I didn't move, other than to use my fingers to spread my labia; I held my breath as I watched Bill's slow advance before gasping as his tongue prodded against the exposed interior of my pussy. Bill's tongue was delightfully rough but surprisingly skilled. He knew where my clitoris was and what to do with it. I leant

back on the bar and let him do his work. By the time he surfaced, he'd already made me a very happy woman. Twice.

"Do you mind if I?" I opened my eyes to find Bill standing between my legs with a nice big dick in his hand. A smile was all it took for him to push the shiny purple glans inside my little puss. "Oh my god, she's tight," Bill reported. The way he did it – the way he talked about me, rather than to me, really turned me on. I groaned as Bill drove up further inside me, impaling me, stretching me with his cock. It felt wonderful and I clutched the bar as he began to fuck me.

Hands began working my clothes from behind. My tits were soon fully exposed as my blouse came open and my bra was pulled down. Movement to my side made me turn my head and I found that the barman was kneeling on his bar, offering his cock to my mouth. It was an offer I couldn't refuse, and I took the tip, then more into my mouth. I had two cocks inside me for the first time and it felt fantastic, although my body was being buffeted as they both thrust into me. The fact that I was perching on a swivel stool meant that I was being twisted by Bill's thrusts in a way which occasionally forced the cock in

"I had two cocks inside me for the first time and it felt truly fantastic"

my mouth right into my throat. That lack of control meant I was soon turned on in a way that I'd never experienced before. The two men felt so powerful and I felt like their slut, being shared between them, servicing them both. I loved it and I gave myself to them completely, pretending that they had hired me and that I had to make sure I pleasured them both fully.

My little fantasy caused me to up my game; I worked the barman's cock with added intensity, sucking harder and I started wanking him into my mouth. At the same time, I pulled his hand onto my breasts. Soon he was groping my tits, squeezing the soft flesh and tugging on my nipples. I guess that he must have really liked my tits for it wasn't long before he pulled his cock from my mouth and sprayed his jizz all over them. It felt like a form of worship as he rubbed his cock in the slippery mess before stuffing it back in my mouth. I could taste his spunk and I think it was that which set off the fireworks which had been sparking in my clitoris. It felt wonderful to be cumming around Bill's dick and he responded in kind. I felt his cock pumping inside me, ejaculating, and the dirtiness of letting this old guy fill me with his spunk enhanced each and every pulse of pleasure.

I did my best to make myself look respectable before Bill escorted me back to my car. I played with my GPS, making sure that I'd got the pub's location in its memory before driving off – after all a girl likes to know where she can get a good cocktail or two when she feels the need.

BOOB BANGER!

Breasts, tits, boobs, hooters, jugs, cans, headlamps, knockers, melons – call them what you want, I call them amazing. To me they are the part of a girl's body that defines

“She slipped the vibrator inside her juicy snatch at maximum speed”

her sexuality. There’s one prerequisite, though – they have to be big. I’m not talking zeppelins, necessarily, but they have to be big enough for me to slide my cock into the cleavage and have their owner wrap her tits around its shaft, and tit-wank me into spurting my steaming spunk. That’s all I ask.

Last summer I had the pleasure of a brief liaison with a blonde who possessed the most magnificent pair of mams I’ve ever laid my eyes on. It wouldn’t have happened over here, but I read about the annual Nudes-A-Poppin’ event in Indiana, America, and decided I was going to treat myself to a dirty holiday.

Although I’d never been to a nudist camp before, I’ve always been somewhat of an exhibitionist, and had no qualms about walking around in nothing more than a pair of flip flops and a smile. Trust me – if you were up close to the acres of flesh on show, you’d be smiling too. The only drawback is that the organizers of the pageant frown on men walking around with stalk-ons, so I took a towel with me just in case. I had it wrapped around me while watching the Miss Nude Go-Go event, when I found myself standing next to the aforementioned busty blonde, dressed only in a tiny thong.

She was so excited by the show that she was wildly jumping up and down. “Whoah there, love,” I said to her, unable to resist staring at her bouncing boobs. “You’ll give yourself a couple of black eyes if you’re not careful!”

Still bounding about, she looked me straight in the eyes, then down at my groin. “Judging from the lump beneath that towel, you like what you see, yes?” she asked.

“Like?” I replied. “That’s the understatement of all time!”

“Well, how about we hang out today, then you come back to my hotel room when this is all over, and you can give me a demonstration of your appreciation. I like that British accent too,” she said. Naturally I agreed, then we introduced ourselves to each other – her name was Sue. And I’m Tom, by the way.

Although we had an amazing day together, it was nothing compared to what happened that night. Having stripped down to the state in which we’d met, Sue told me to get comfortable on the bed. Then she pulled a huge vibrator from her suitcase and stood with her back to me. “Your tits! Show me your tits!” I begged.

“Slow down, baby,” she replied. “There’s no rush, and I guarantee you won’t be disappointed with what happens next.”

Bending forward and down, Sue looked at me between her spread legs, her tits hanging low. I gasped. She smiled, slipped the

vibrator inside her juicy snatch and, from the volume of the buzz emanating from it, turned it on at maximum speed. I started stroking my cock as Sue prodded her pussy, my gaze switching between the vibro disappearing in and out of her cunt and her swinging jugs. I swear I was just seconds away from blowing my wad when, as though she could read my mind, Sue shouted, "Stop!"

I did as she said, and she hopped onto the bed, grabbed me by the ankles and pulled me onto my back. Then she straddled my chest and made my dream come true – she wrapped her boobs around my knob. "Don't move," she said. "Leave everything to me."

Momentarily releasing my dick from its soft flesh housing, Sue slid a hand between her legs. When she retrieved it, it was coated in her pussy honey, which she proceeded to smear all over her cleavage. Seconds later my cock was back between her tits, which Lucy was using like a huge, swollen pussy. My cockhead bobbed in and out of view, drowning in Lucy's fleshy mounds. As she massaged my shaft with their massiveness, I suddenly felt as though I'd been pumped full of adrenaline, and a huge orgasmic surge swept through my body. "I'm gonna cum!" I shouted. Lucy rubbed her fat boobs harder and faster against my cock, and seconds later I spurted an enormous load all over them. Best. Holiday. Ever.

POPSHOT CULTURE!

LET'S GO THROUGH THE LOOKING GLASS AGAIN, PEOPLE, AS WE LEARN ALL ABOUT THE RUDE THINGS THAT HAVE BEEN HAPPENING ON THE INTERNET THIS MONTH...

PORN STAR RETIREMENT HOME

Where we look back at the mucky strumpets who quit the cock...

Jada Fire

A controversial retiree, as black beauty Jada hung up her chaps just earlier this year, announcing on Twitter, "THE DAY HAS FINALLY COME..IM OFFICIALLY RETIRED FROM PORN..:)" And following it up with, "I WANNA SAY THANKS TO ALL MY FANS,I LOVE YALL SO MUCH...IM JUST DONE SHOOTINGS SCENES THAT'S ALL,ITS OK :) :)" The 35-year-old Californian has gone on to claim she's just tired of the biz, and will still do solo webcams (for cash) but her time doing scenes in proper hardcore films is seemingly over. This is annoying for a number of reasons –Jada's well fit, she's got big tits, her portrayal of "Condi" Rice in the film *Who's Nailin' Paylin* was a doozy. Ms Fire's been in porn since 1998, so there's tonnes of back catalogue to plough through if you wanna wank at her, but it's a shame the star has gone and quit while she's at the top of her game. That said, if someone dangles a big enough cheque in front of her, there's every chance she'll get those big black boobies out once again. Maybe we'll set up a JustGiving page...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Sharon Stone

She's 54-years-old, so let's first off cut Sharon some slack – it's been twenty years since Sharon stripped off and pretended to suck off a V-necked Michael Douglas (who, let's not forget, hasn't aged all that well either) in *Basic Instinct*. She's actually grown old pretty gracefully, looks-wise, with some pretty deeply-embedded crows-feet and laughter-lines detailing her face, but she does have a habit of dressing and acting like she's still that 30-something sex bomb who we all lusted after in the 90s. Considering the smut you see on an HBO show like *Game of Thrones* or *Girls*, her teensy fanny-flash in *Basic Instinct* now seems almost quaint, but Shazza had a right old strop about it when the film came out, claiming she didn't know the camera was pointing up her skirt. These days, if we heard there were upskirt shots of Sharon's squirrel, we'd most likely not run to a PC to have a look at them. We'd probably just do it at a convenient time, at our own leisure. And that is a sad state of affairs indeed.

Come and follow me on Twitter: @popshotculture I want to share my nasty little world with you...

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

JAMESON'S WHISKY (TOO MANY)

Legendary porn starlet Jenna Jameson was arrested for driving under the influence in May of this year, after wrapping her car round a lamppost in Los Angeles at 1:30am. She received minor injuries from the crash and refused on-site treatment, with witnesses claiming she appeared inebriated and was given a field sobriety test. Soon after, she was released from custody, with this slightly goofy (but still hot) mugshot released not long after.

Let's hope JJ's not going off the rails – we're still hoping she might do one more porno comeback, after all. And we don't want to see her doing it in calipers and neck brace.

NO, NOT THAT JAMES DEAN

James Deen (see what he did there?) is a very popular male adult performer, and at the age of 26 can already boast to having starred in over 2000 films. Known for being not only pretty handsome (he's got a boy-next-door look that most blokes in US films lack) but a nice guy too. And now he's about to hit the mainstream. Controversial novelist Bret (*American Psycho*) Easton Ellis recently tweeted, "I am beyond thrilled that James Deen and Lindsay Lohan will be playing the parts of Christian and Tara in THE CANYONS." *The Canyons* is a long-cherished project of the writer's, and will be directed by *Taxi Driver* writer Paul Schrader. Considering who his co-star is, Deen will actually probably be the most-respected performer on set.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

What's got two tits, a fanny, loves DJing punk music and will suck penises for money? Yeah, you guessed it – it's stacked Californian porn moppet Angel Vain. Well, maybe you didn't get it but you do now. Angel is a fun gal to follow on Twitter (even if she does try and plug herself for work every other day – times is hard in the US porn world), and regularly posts naughty pictures of herself (or of her paintings). She's prone to keeping her followers fully updated as to what she's eating, what she's done at the gym, and when she's performing her DJ sets. She also seems to spend a lot of time snuggled up in bed, playing with her minge. Let's see what she's outpoured recently...

"I hate allergies ... My nose is stuffy but I can't blow it ... Hahaha I realize most of you are just focused on the last part of that tweet"

"I'm dying :(my tummy hurts so bad! I feel like there is an alien trying to break out of me I'm fairly positive it's indigestion & it sucks!!"

"Mmmm coffee sounds perfect right about now ... Well I'd rather have a nice big cock down my throat ... But coffee it is ;)"

Follow Angel at *www.twitter.com/AngelVain* today – you won't come away enriched or cleverer, but you will chuckle/masturbate from time to time.

Top Five... Google Gals

The most-searched ladies in Google last year. Which ones make you feel lucky?

5: Britney Spears
Amazingly, Britney has still got a bit of oomph, despite having seemingly gone batshit a few years ago – and it's been a while since we've strummed to one of her videos. Can't hum any of her recent "tunes" though, can you?

4: Nicki Minaj
Noisy rapping lass Nicki Minaj changes her hair colour more often than we change our pants, but you can't deny those tits/that ass make you want to type "Nicki Minaj boobs" into search engines.

3: Cher
Really, Google? Seems Cher's fanbase is still out there, desperately holding on to the memory of her straddling a cannon on a boat wearing a fishnet onesie. Nutters.

2: Rihanna
No surprise to see the pop strumpet so close to the number one spot, having effectively shifted Beyoncé down the pecking order. Wouldn't mind finding love in her hopeless place.

1: Lady Gaga
Twitter's most-followed VIP, Gaga is a walking sex-a-ma-jig, who actually manages to knock out decent ditties too. Type her name into Google and you'll see why we keep clicking on her.

Sexy sex facts about sex!

Sex is a natural antihistamine (so next time your nose is all bunged up, have a jump on the missus – she'll love you for it)

Impotence is grounds for divorce in 26 of the USA's 50 states (which seems a bit cruel, really – insult to injury)

In his lifetime, the average male will squirt out half a trillion sperms (although most of the staff of *Club* are trying for the whole trillion)

There are approximately 100 million acts of sex a day, which is the same number as Twitter claims are tweets per day (we know which we'd rather be doing) ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

From the second Anna Friel lezzed off in *Brookside* – and fuck us, wasn't that a long time ago? – it was clear she was set for a stellar career. And she hasn't disappointed. She laid down a marker by romping starkers in 1998's otherwise dreadful *The Tribe* on TV, but pretty much every film she's made since has featured at least part of her wonderful anatomy. Top bollocks in *Rogue Trader*, *Me Without You*, *Niagara Motel*, *Watermelon*, and the whole lot again in 2001's *The War Bride*. Those perky boobs got another airing in 2008's *Bathory*, and bringing us up to date, she's stunning in 2011's *London Boulevard* – swanning around in sexy underwear, slipping out the nips, and being everything we hoped she'd be. Except she's not our wife. Yet. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PETER PIPES HER!

Like a lot of *Peaches* stories, mine starts with a night out with the girls. It was my sister, Sarah's, birthday and six of us had gone out as a group to get drunk and pull the fellas. Not me though, I'd never really had much luck in that department. I don't know why, I guess I've never had much confidence in myself. My sister's gorgeous and really outgoing, whereas I'm quite plain. I'd never really seen the importance of flashy clothes or expensive hairstyles before, but by the time I was 24 I'd only ever slept with two guys, neither of whom I ever saw again. My sister, on the other hand, had fellas eating out of her hand all night and her friends looked like models next to me.

After several drinks, one of the girls kept interrogating me as to why I couldn't get a bloke. It was just drunken teasing but I got upset and decided to leave, despite my sister's objections. I wandered outside feeling pretty low and got into a cab. I recognised the driver as someone who'd gone to my school. Peter had been a couple of years above me and popular with the girls. "Don't I know you?" he said, to which I replied that I doubted it. Peter looked in the rear view mirror and said, "It's Sarah's sister isn't it. Oh, what's your name?" Then, to my surprise, he got it. "Abigail. Going home early?" he asked. I lied to him that I hadn't been feeling well but Peter didn't buy it. "You look upset. What's the matter?"

I tried to pass it off as nothing but in the end I told him. I thought he'd laugh just like all the others had but Peter told me to stop being so silly. "Getting a bloke is easy," he told me. "All you've got to do is ask them if you can suck their cock and nearly every bloke in the world would say yes."

As I heard him say these things, I couldn't help but get turned on. It had been so long since I'd had a man that my desperation ended up getting the better of me, so I turned to him, heart in my throat and asked him: "Can I suck your cock then, Peter?" Peter laughed, but I told him I was serious and reached over and gently stroked his crotch through his jeans. Peter's grin faded and he stuttered.

"That wasn't what I was getting at," he told me. "I meant... you know... your average bloke in the pub." I wasn't about to leave it there though so I told him I'd do anything he wanted – anything! "Look," he said, "this isn't a fob off or anything, it's just I have a girlfriend," he shrugged. "I'll even take it up the bum," I told him, my voice quaking. This was my last throw of the dice. Even though I'd never done it before, I knew some guys were really into anal and loved girls who were too, so I thought I'd blag Peter this way. I mean, how different to normal sex could it be?

We arrived back at my place and I told him again. "Anything you want." Peter unbuckled his seat belt and followed me in. Once we were inside I went to kiss him but Peter told me he was in a hurry and simply undid his trousers to expose a monster erection. "Suck my cock then," he ordered me and I dropped to my knees. As I took it in my hands I found

> **"I'd promised Peter he could fuck me up the arse, even though I was an anal virgin"**

that it was so big my fingers didn't even reach all the way around. I dipped my head toward his enormous pole and took his hot, pink bell-end into my mouth.

It had been so long since I'd had a cock in my mouth that the experience was almost overwhelming. I hungrily slobbered over his cock like a woman completely possessed until my pussy was dripping with lust. I stroked and kneaded Peter's balls as I milked his cock into my mouth and all too soon I felt his cock start to quiver and jerk. I readied myself to take his full load in my mouth and promised myself that I'd swallow everything, no matter how much he came, as that was something I'd never done before either.

Just as I started to taste his salty pre-cum leaking out onto my tongue though, Peter pulled out and told me to bend over. "You said you'd take it up the arse and that's exactly what you're going to do," he told me. He was so authoritarian in his manner that I couldn't help but do exactly as he said. I turned around and leaned over the sofa and jumped slightly as I felt his strong hands lift my skirt and pull down my knickers. Peter rubbed his hot cock in-between my lily-white buttocks a couple of times and I suddenly realised how enormous it was.

"Slip it into my pussy," I tried to say but Peter was adamant, there was only one way he was going to fuck me. I heard him spit and felt it land in my ringpiece. I wracked my brains in an effort to come up with some way out of it but I couldn't. I'd promised Peter he could fuck me up the arse, even though I was an anal virgin. I had to go through with it.

Peter pushed a finger deep inside my arsehole causing me to yelp with surprise. Before I had a chance to get used to the feel he'd inserted another and was working my sphincter, stretching me gradually wider and wider in preparation for his thick, meaty cock. Peter gripped my buttocks and edged his fat cockhead towards my tight bumhole. His helmet felt colossal against my tiny entrance and when he started jabbing sharply against my sphincter I couldn't see how it would ever fit inside. Peter applied a little more pressure and suddenly my anus gave way and a relentless surge of meat filled my tiny cavity.

"Ohhh! Oh! Oh!" I yelped, my knees almost buckling beneath me. "Oh Jesus." Peter continued on forward until his whole, enormous cock was somehow buried up inside my virgin-tight arse. "Never taken it before have you?" he whispered in my ear and I shook my head. "Well, you'd better ready yourself because you're taking it now."

Peter drew back, his thick, veiny shaft rasping against my taut sphincter, then he plunged back down deep, taking my breath away with the incredible sensation. Peter repeated this several times, slamming my bum again and again until my muscles were totally relaxed and I could do nothing but take it, then he started fucking me hard. Peter's rhythm quickly built up into a relentless assault. I was totally at his mercy yet, and this was the really weird thing, I was loving every disgusting minute of it. I'd never known a pleasure so intense. It was like pain but a totally satisfying sort of pain. I reached down to my pussy and began to frig myself off knowing that it would be only a matter of seconds before I came all over my hand.

Peter's thrusts were becoming shorter and shorter and I suddenly realised he was about to cum in my arse. It was a deliciously dirty minute knowing that I had brought off this handsome young stud in my back passage and when I felt his thick, hot fat squirt deep into my colon I couldn't stop myself from mouthing "Yes! Yes! Yes!" over and over again.

Peter left pretty quickly after that but I didn't mind as I was all a tingle and spent the rest of the evening masturbating to several orgasms. I've since pulled a fair few blokes on subsequent girlie nights out with my new found confidence. All the other girls can't see how I'm doing it but I've discovered the way to a man's heart... it's through my arse.

Abigail, Nottingham

ANAL INTERCEPTION

I've always had a strong sex drive but since I broke-up with my boyfriend, I have to admit that I've enjoyed behaving like a slut. I like that I can just go up to any guy that I fancy and try it on with him. And when I try it on, I usually pull. You see, there is one thing that sets me apart from most other girls – I've found that I really like to take cock up my bum... and I don't mind telling guys in advance. Just the thought of taking a nice big cock up my arse is electrifying. It's like the best sex I've ever had but with every single element amplified. I love it!

Last Saturday night was typical. I dressed

“I gasped as the entire length of Neil’s impressive cock surged into my arse”

in my best pulling outfit – a little white vest-top and tight-fitting shorts with no underwear. The cotton of the top stretched across the proud thrust of my perky tits and did more to reveal, rather than conceal the soft flesh within. I pulled before I even got into the club. As I got out of the taxi, the chill night air made my nipples stiffen. But I didn’t have time to get cold. A guy that I recognised from the previous week broke away from his friends and slipped his jacket around my shoulders. He’d definitely been interested but I’d gone home with someone else.

“Hello, again,” he said with a really nice smile.

“This is a coincidence,” I said, noticing that he was keeping himself between me and the doorway, trying to keep the competition away.

“Not really – I’ve been waiting for you. I missed-out last week. I was hoping that you might give me a second chance.” He’d earned a chance by being a gentleman and then by being honest.

“OK. I’ll give you a chance but I’ll need to see your equipment,” I said looking down. I wasn’t really expecting him to do it there and then in the street but his hands moved straight to his fly and started unzipping. It was one of the sexiest moments of my life as I stood shivering, waiting to be shown his cock. He withdrew it and it was already semi-erect.

“Balls too,” I demanded confidently and I watched as he eased his sac out of his boxers. It all looked in pretty good order to me. I liked that it was all neatly trimmed. Stepping in, he didn’t resist as I wrapped my hand around his cock and started wanking it. “So, what’s your name?”

“Neil.”

“Well, I’m Grace. I’d shake your hand but I don’t really want to let go of this…” Neil’s equipment had passed my inspection. His cock was now hot and hard, having swollen impressively. I particularly liked its girth.

“So, did I pass?” Neil asked.

“Yes… but there’s a condition – I want it up my bum.” I saw the way he re-assessed me, following my dirty demand. I was amazed at myself; the shameless way I could just ask a man to perform the most perverted sex acts on me. But I’d had a guy spoil my fun by refusing to stick his cock in my arse and wanted to avoid any potential disappointments later. After a short taxi ride, I was back in my bedroom with my anal associate in tow. Neil tugged down my shorts and was immediately presented with my bare bum. I didn’t even have time to take off my shoes as he pushed me forward and spread my cheeks.

“You’ve got a beautiful bottom.” I thought he was just doing it to inspect my bumhole but a moment later I felt his hot breath and then his tongue right on my anus. As Neil’s tongue worked my arse crack, I fought to unclench. I hadn’t expected him to be so direct. A bit of foreplay would have been nice but I’d asked him to fuck my bum… and it looked like he was getting straight down to business. “Have you got some lube?” I reached under my pillow and pushed it back between my legs.

His ‘preparation’ consisted of squirting a bit of lube on my anus and spreading it around with his fingertips. I knew then that he’d never done this before and that gave me an added thrill. This was going to be a memorable moment for him. Whilst he was removing his clothes and getting his cock out, I took more lube and pressed two fingers into my back passage. I enjoyed the familiar feeling of my fingers inside my bum but couldn’t wait to feel that nice big cock squeezing in.

Neil moved into position, unaware of my further groundwork. The tip of his greasy cock accurately speared into the cleft of my bottom. I hardly dared to breathe as I felt my bum responding to the slippery pressure being applied. My muscles resisted but ultimately lost their fight to keep the penile intruder at bay – as I knew they would. I gasped as the entire length of Neil's impressive cock surged into my arse. The feeling was intense and I started playing with my empty pussy. That is my favourite thing about anal sex – I love being able to masturbate whilst getting fucked at the same time. As Neil shunted his cock back and forth in my arse, my fingers flew over my clitoris. I was hyper-horny and eager to climax, having made this hunky guy expose himself, before publicly masturbating his cock… and then demanding that he fuck my arse.

My fingers brought a frenzied kind of pleasure – powerful and animalistic, barely controlled. I brought myself to orgasm and was rewarded with a moment of sheer delight… but it was like the eerie silence after you've just seen a large explosion in the distance. The massive spasms ripped through me in waves – a fierce onslaught after three blissful seconds of ecstasy. Neil slipped or pulled out and he sprayed his cum all over my bum, pussy and fingers. That just added to the cocktail of sensations; I could feel my arse pulsing in unison with my pussy, opening and closing with each muscle spasm, doubling my pleasure. I sagged forward, utterly satisfied – that precious feeling the reason why I love anal sex so much.

Neil was getting ready for me to kick him out, but instead I chucked the TV remote in his direction and went and got a bottle of wine and a couple of glasses. "You're not going anywhere, sunshine. That was a good starter but I'll be good to go again in an hour or so. You just concentrate on getting yourself rested – you've got a long night ahead of you!" Neil didn't say anything but he didn't need to as he was wearing the most enormous smile. It's not the first time I've made a man smile like that… and it won't be the last.

CARMEN ♣

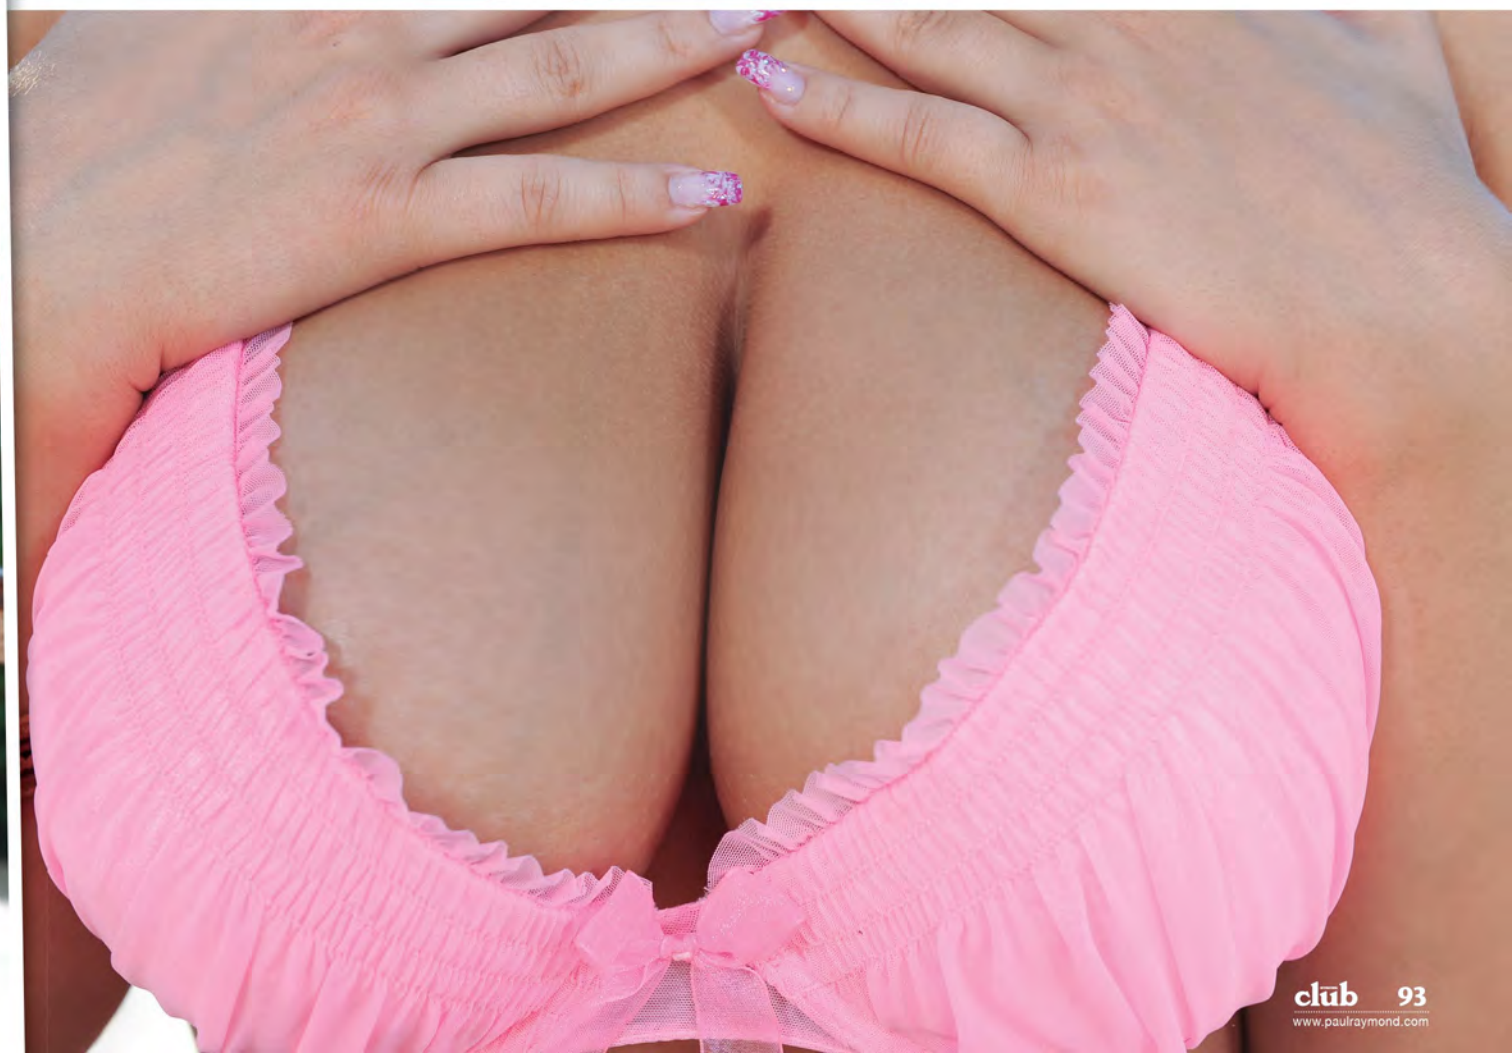
Carmen get it...

As a reader gently pointed out recently, *Club* girls do tend towards the small of breast. We're not sure why – maybe big boob girls are too busy in baths of custard and paddling pools full of jelly to be photographed for us. So we got on the blower to Carmen here, who we knew to be the proud possessor of two of the finest breasts ever evolved under the sun, to help us rectify the situation.

She didn't disappoint – and seemingly she never does:

"I like giving tit wanks," she tells us. "Why waste these tits on anything else? I just want spunk shot all over them!"

See what we mean? ♣



CARMEN

What our well-placed moles are telling us this month...

DOWN THE WIRE

MEAT (AND VEG) WAGON!

Collisions happen all the time on the vast road network of North America, but rarely with such tasty results. Two lorries collided with each other recently in New Smyrna Beach Florida, when the driver of one fell asleep at the wheel. Both lorries were clocking between 70 and 80mph when they collided, spilling lots of their goods onto the highway. And those goods? One lorry was full of meat, the other onions. The possibilities are endless – the basis of a good bolognaise, or get a truck with some peppers to join in and let's get some fajitas going. FYI: Both drivers survived. Just thought we'd mention that.

BUNKER UP!

Everyone has hidden depths, but when two fishermen chanced upon a mysterious military bunker in Northern Sweden and informed the police, they weren't prepared for what was inside. The fortified room, in the middle of some woods, was packed with sex toys, lubricants, ropes and pulleys and a bed covered in silk sheets. The fishermen were worried that they'd found a torture chamber, but a Swedish housewife came forward to claim ownership of the bunker. Minna Hansson, 41, told the police the sex den was 'one of my most sacred places' where she wanted to 'test my limits'. Apparently the testing was inconclusive, as the bloke she'd set the bunker up for stood her up.

BEAR THRILLS!

We've heard of Plushies – people that like to do the wild thing while dressed up as cuddly characters – but Charles Marshall of Cincinnati made a boo-boo when he took things a step further recently. He's just been arrested for the fourth time in two years, charged with having sex with a teddy bear. Health clinic employees came across Marshall, in an alley, rubbing himself off with a teddy bear (we've tried to do a joke about having a 'stiefy', bear fans, but we're struggling), after being caught doing the same thing three times previously. What the police need to take into account is that the bear was just asking for it.

LET US SPRAY!

As sexual mix-ups go, this is a doozy. 60-year-old Barbara Hall was getting it on with her 45-year-old boyfriend in her Florida bedroom, when she asked him to go into the kitchen and fetch some lubricant. He returned with some olive oil, and a cooking spray that goes by the name of PAM. She asked if he'd brought the PAM, but her boyfriend misunderstood and started to talk about a girl called Pam who he'd recently had sex with on a boat. Hall kicked off, throwing the bottle of olive oil, plus a cup and a torch at the head of her boyfriend. Hall was charged with domestic battery and not having enough Mazola next to the bed. ♣
